PART 2: What To Do When Aspirin Mix Weakens

PART 3: 30% Of Your Patients

QA Webinars Supporting QA Sessions 4-6

QA Webinars Supporting QA Session 4

PART 1: Nutrition & Common Shoulder Syndromes

PART 2: CAC Nutrients May Not Be Enough

PART 3: B Vitamins & The Heart

QA Webinars Supporting QA Session 5

PART 1: FRA Response, Vertebral Subluxation & Cervical Coupled Mechanics

PART 2: Shunt & Spurt Stabilizers: What AK Docs Must Know!

PART 3: Food Allergies, Inflammation & the QA Clinical Protocol

QA Webinars Supporting QA Session 6

PART 1: The Chemistry of Cranial Faults & Cranial Dural Referred Pain

**PART 2: Cranial Faults, TMJ Faults & The Immune System:
Structural, Chemical & Mental Considerations**

PART 3: Tired Or Toxic? – That Is The Question!

QA Webinars Supporting QA Sessions 7-9

QA Webinars Supporting QA Session 7

PART 1: Neurological Switching: Consequences & Considerations

PART 2: Monitoring the Mesencephalon ... And The Cerebellum

PART 3: Immune Review - Cranial, TMJ & Teeth - The Parathyroid

QA Webinars Supporting QA Session 8

PART 1: The Stomach & The Gastrocolic Reflex - Vitamin D & Muscle Tone

PART 2: The Ileocecal Valve: An Indicator Not An Entity

PART 3: The Second Brain: Emotional Distress & Digestive Dysfunction

QA Webinars Supporting QA Session 9

PART 1: Emotional Stress & The Immune System

PART 2: Inflammation & Endocrine Hypofunction

PART 3: The Chronically Destabilized Foot

QA Webinars Supporting QA Sessions 10-12

QA Webinars Supporting QA Session 10

PART 1: The LINKS Between The Nervous System & The Biochemistry – I

PART 2: The LINKS Between The Nervous System & The Biochemistry – II

PART 3: So You Think You Understand The Adrenals?

QA Webinars Supporting QA Session 11

PART 1: Targeting Liver Detox With A Rifle Not A Shotgun

PART 2: Epigenetics & Modulation Of Genetic Expression

PART 3: Treat The Liver Affect The Brain

QA Webinars Supporting QA Session 12

PART 1: Treat The Liver Affect The Brain – Part 2

PART 2: Where Is The Triad Of Health?

PART 3: The Mesencephalon & Problems Of The Hand Wrist & Forearm

QA Webinars Supporting QA Sessions 13-15

QA Webinars Supporting QA Session 13

PART 1: Stopping Joint Degeneration – Part 1

PART 2: Stopping Joint Degeneration – Part 2

PART 3: Stopping Joint Degeneration – Part 3

QA Webinars Supporting QA Session 14

PART 1: Five Common Causes of Dysmenorrhea

PART 2: Reversing The Adverse Effects Of Estrogens

PART 3: When The Immune System Is Secondary

QA Webinars Supporting QA Session 15

PART 1: 7 Chemicals That Depolarize Nociceptors

PART 2: The Urea Cycle & Ammonia Waste

PART 3: Ammonia Metabolism & Neurotransmitter Function
